

Shoogle, Sniff, Swally!

Our own experience and knowledge of wine is demonstrated in our wine list and rest assured, that we have spent many hours with these wines, giving them a shoogle, a snifter and a guid swally!

Ailsa, went walkabout down under leaving Chris behind, to work the 2007 vintage in the Barossa Valley at the highly regarded St. Halletts Vineyard.

Our passion and love of wine is something that we support in both our staff and our customers! Our staff are encouraged to gain WSET accreditation's and our customers regularly enjoy our very own Henrick's Wine Society Evenings.

Our wine tasting evenings are held every month and our attendees vote for their Wine of the Month. You can sample the chosen favourites at any time, or ask your server for any other special offerings.

We believe that we are offering you a great choice of wines at excellent value. We hope that you enjoy these wines as much as we do!
